

# Ned Stool

## Bringing fun and functionality into classrooms.

**The Ned stool is the perfect companion for students. Not only is it robust and durable, it's also lightweight and stackable, making it easy to move around the classroom, library or breakout space.**

Tried and tested, the Ned stool can handle the tough love from kids, both indoors and outdoors. Ned is stacks of fun wherever and however kids learn. The stool is a trusted buddy that can go anywhere with students and teachers, depending on the activity they're doing.
