

Create-A-STEAM Table

Ideal for art, craft and creative learning

STEAM learning in the classroom is a breeze with this purpose built table. Perfect for integrating scientific, mathematic, and problem-solving skills into Primary and Secondary lessons.

The Create-A-STEAM Table is designed for hands on activities. All the bases of safety and practical use have been covered with this task-centric table. Available in a kneeling or sitting height, the STEAM table features a sizeable central storage tray for equipment, highly durable top surface and a raised steel lip around the perimeter to prevent anything rolling off.

Features

- Available in 400mm kneeling height or 720mm high for juniors standing or perched on stools.
- Easy to clean 18mm low pressure laminate tabletop for added durability.
- Sturdy fully welded square tube steel frame.
- 10mm raised lip to stop items falling off the table.
- Mobile with four high quality castors, two lockable, allowing for easy manoeuvrability and stability.
- Centrally located white Sebel storage tray fixed beneath the table.
