

Pastoe Chair

High performance, low maintenance

An iconic design, found in clinics, waiting areas and cafes across Australia. The Pastoe Chair has been providing durability and quality for decades.

The Pastoe Chair offers high performance and low maintenance. It is specifically designed for areas with high traffic such as waiting rooms and sporting venues. Made from UV and weather resistant polypropylene, it's perfect for either indoor or outdoor use.

Features

- High-tech polypropylene is UV and weather resistant.
- Supports a static seated load of 110kgs.
- Contains anti-static inhibitors, for outdoor use in harsh climates.
- Designed to ensure maximum comfort and stability.
- Stain resistant and easy to clean.
