

Postura® Focus Sled Base Stool

Sebel™

Ergonomically designed for school to university students

Designed with ergonomics and durability in mind, the Postura® Focus Sled Base Stool is a simple yet stylish solution for modern learning environments.

Part of our most popular Postura® range, the Focus Stool is backed by the same science and engineering. The strong welded steel frame and highly-durable polypropylene seat provide maximum support, while the sled base adds an extra element of stability.

Finishing touches like the chip-resistant coating, built in bag hook and sturdy footrest are just a few of the details that set this stool apart from the rest.

Features

- Two size offerings cater for both Primary and Secondary School students.
- Bag hook under the seat for efficient storage.
- Welded steel frame finished in chip-resistant powdercoat.
- Seat manufactured from easy to clean and highly durable polypropylene.
- Stain and UV resistant seat.
- Frame design is wider at the base, offering additional stability for the user.
- Stacks up to three stools high for easy storage.
