

Postura® Plus Linking Chair

Australia's leading school
chair - now BIGGER

Australia's leading school chair – now for adults

This larger version of Australia's No.1 selling school chair has been manufactured with more width and height, ensuring superior comfort.

The Postura® Plus Linking Chair has been expertly and ergonomically designed for adults, and is perfect for Secondary School students, teachers, University, TAFE and community use.

With Sebel you get a lot more than the chair you actually receive. It's because of the research, development and rigorous testing we employ across every Sebel product before it is released into the market, that you can be assured you of the quality and durability of our chairs.

Features

- Moulded links on the side of the chair allow multiple chairs to be linked together in a row.
- Extra large lumbar air ventilation in the backrest.
- New flexing air bridge supporting the chair.
- Anti-rocking system, designed to resist rocking backwards.
- The single injection moulded polypropylene design is made for durability.
- Anti-static polypropylene stays cleaner for longer and is easier to clean.
- Stacks up to a recommended 12 chairs on the floor (size 6 equals 1870mm high).
- Stacked chairs can easily be moved using the Postura® Trolley.

Colour Options

The colours shown have been reproduced to represent actual product colours as accurately as possible, however actual colours may vary. We recommend contacting your Sebel representative for a sample swatch for comparison prior to ordering.

For more information or samples, contact your Sebel representative, or email sales@sebel-furniture.com
