

# DuraLite Folding Table

## The toughest table on the market

**Easily carried by one person, the DuraLite Folding Table is perfect for any application that requires repeated set up and pack-down (seminars, catered events and multi-use spaces).**

The DuraLite Folding Table can withstand the toughest demands of daily use. Tested to withstand up to 907kg of weight, the unique

honeycomb core, aluminum framework, superior materials and innovative design result in a lightweight table that is strong and durable, plus they are GreenGuard certified.

The DuraLite Folding Table is proudly GreenGuard certified, meaning it is scientifically proven to meet rigorous chemical emissions standards, ensuring that a product or material has low chemical emissions and improves the quality for the air in which it's used.

### Features

- The DuraLite Folding Table exceeds stringent tests for leg strength, weight load, and vertical drops onto hard surfaces.
- Replaceable corner covers and greater weight-bearing strength result from exclusive design innovations.
- Rubber bumpers protect tables when stacked and keep tables in place on dollies. High impact covers protect from damage upon impact.
- Strong metal-to-metal attachments provide maximum holding power and ensure screw holes won't strip.
- Legs are easily replaceable.
- Unprecedented, weight bearing strength. The DuraLite Folding Table holds a large amount of weight: 907kgs evenly distributed.

### Dimensions

Style	Width	Depth	Height
DuraLite Folding Table	1830mm	760mm	740mm
