

# Postura® Plus Drafting Stool

Sebel<sup>TM</sup>

## Designed for premium comfort and style

**Based on the genuine science behind the original Postura®, this height-adjustable Drafting Stool is ergonomically designed to be ultra-durable and seriously comfortable for sitting for long periods of time.**

The durable shell combined with the hardwearing chrome foot ring and five-point base with castors will ensure that these stools stand up to the rigours of constant use. And being a Postura® Plus means that the shell is big enough for senior students and adults alike.

### Features

- Proudly Australian made.
- Hard-wearing adjustable height chrome foot ring.
- Perfect lumbar position for sitting for long periods of time.
- Sturdy one-piece gas injection moulded shell.
- Back ventilation is suitable for warm climates.
- Easy to clean, anti-static polypropylene stays cleaner and looks better longer.

### Colour Options

The colours shown have been reproduced to represent actual product colours as accurately as possible, however actual colours may vary. We recommend contacting your Sebel representative for a sample swatch for comparison prior to ordering.
