

Postura® Plus Reverse Cantilever Chair

Sebel™

Lightweight, stackable and ergonomic

Ultra-durable, stylish and seriously comfortable for long sitting times, the Postura® Plus Reverse Cantilever Chair is perfect for learning spaces and training rooms.

Built with a premium durable shell and strong fully welded reverse cantilever steel frame, this practical design will ensure that these chairs stand up to the rigours of constant use. Not only are the Postura® Plus Reverse Cantilevers lightweight, stain-resistant, antistatic and easy to clean, they can be stacked and stored for ease of use.

Features

- Provides an ergonomic and comfortable floating feeling due to the reverse cantilever design.
- Perfect lumbar position for sitting for long periods of time.
- Stackable over the edge of a desk or table for floor cleaning.
- Sturdy one-piece gas injection moulded shell.
- Back ventilation suitable for warm climates.
- Easy to clean, anti-static polypropylene stays cleaner and looks better longer.
- Lightweight, enabling students move around easily.
- Stacks up to five chairs high for efficient storage.
- 20 year warranty on chair shell.
