

Twist'n'Lock™ Rectangle Table

Simple | Versatile

Create brilliant collaborative spaces using our cleverly designed pin-less leg table system

Accommodating dual student study, this classic shaped desk can be clustered with itself or paired with other Twist'n'Lock™ tables to form grouped clusters, allowing you greater flexibility in classroom configurations.

Designed with modularity in mind and available in a range of shapes, all our Twist'n'Lock™ Tables work together to make great settings. Plus, they're all height adjustable making them perfect for all Primary School grades.

Features

- The Twist'n'Lock™ range offers versatile shapes to create a variety of settings suitable for your specific learning modality.
- Sebel Performance Edge™ – Tamper-resistant injection moulded polypropylene edge.
- High performance lockable castors allow a space to be reconfigured with ease.
- Reinforced polypropylene legs (Twist'n'Lock™) deliver ultra strength and durability.
- Pin-less leg system means no more broken pins.
- Patented adjustment grooves allows fast and easy adjustment.
- Six adjustable heights (from 520mm to 760mm) increase classroom flexibility.
