

Sebel™

Viva

EXCEPTIONAL SPECTATOR SEATING THAT ELEVATES
STADIUM EXPERIENCES

Reliable products that stand the test of time and elevate stadium experiences

For over 60 years, Sebel has been committed to delivering top-quality products that excel in performance and longevity.

Our high performing spectator seating products have been the go-to choice for hundreds of stadiums, grand stands, lecture theatres and halls around the globe.

Whether you've been cheering your team on at the Sydney Cricket Ground, engrossed in a university lecture or backing your favourite footy team at your local sporting ground, the chance are that you've probably enjoyed the moment from the comfort of Viva.

The ultimate in flexibility, Viva's clever modular design means there is a model of Viva to suit any application from general admission seating right up to premium seating.

Plus, its unique patented design simplifies the installation process and eliminates the worry and cost of ongoing maintenance associated with spectator seating.

With sweeping curves and contoured body, Viva ensures maximum comfort and superior durability for all outdoor applications.

Viva offers superior, high performing features, such as:

- Premium quality UV resistant polypropylene to keep your Viva seating looking good as new
- Sweeping curves and a contemporary shape to ensure your venue will remain modern
- The distinctive shape and full-size seat and back supports all users, ensuring lasting comfort
- Waterfall front edge gives extra knee support where needed, maximising comfort for long sitting periods
- Clean, uncluttered mouldings make the seats much easier to clean and reduces ongoing maintenance and costs
- Cleverly designed to ensure maximum seat sizing without diminishing your venue capacities
- Careful detailing and hidden fixings to prevent tampering and eliminate trap points, increasing spectator safety

Viva offers a variety of options

- Backrest styles
- Folding tablet arms
- Branded stamping and embroidery options
- Armrests and cup holders
- Upholstered seat and back
- Mounting options
- Row and seat identification
- Fire rated
- GPO and/or USB power

Backrest styles

Available in a range of different backrests to complement any venue design requirements.

Arm rests and cup holders

Optional polypropylene armrest with cup holder is perfect for premium seating areas. Design is reversible for front or rear mounting.

Various mounting options

Suits riser and pedestal mount platforms. Perfect for any application, from indoor arenas, stadiums and educational facilities.

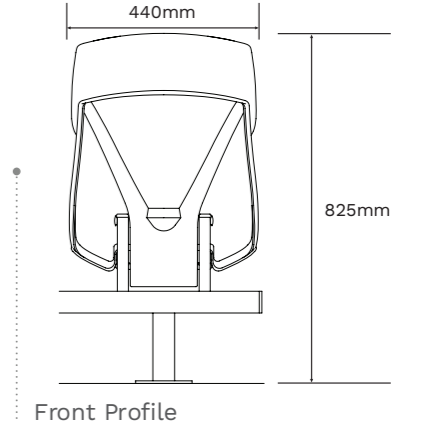

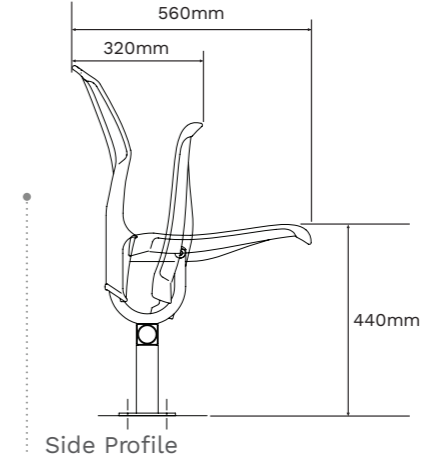

Row and seat identification

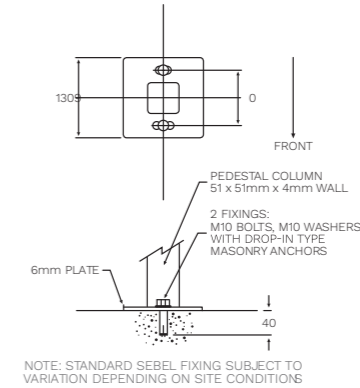

Seat numbering on front lip and row lettering available.
